

ORENDA SYMBOLS

Long time ago, the Great Kolobar Ashina closed his eyes and looked beyond. He had to make a choice ...

The "kolobars" - shrouded in mysticism and legends - are part of the Bulgarians' past.

They were identified as healers, sorcerers, initiated into or knowing the secrets of the Universe, possessing knowledge and power to guide the laws of nature and human fate.

What was this knowledge like?

Was it truth that they were able to cure and contact each other from a distance; that they could be at two places at the same time? To fly? That they were?

Whatever they were, they possessed power called ORENDA.

In every article for the household we inscribe the ORENDA symbols. According to your wish and need, we elaborate unique pieces of furniture and respective accessories in the spirit of ORENDA.

ORENDA is an old Bulgarian word. Some say it is the oldest one, maybe. It was the Bagaturs' war cry when entering a battle; it was a mantra of connection with the power of the personal spirit. It was the beginning and the end of a prayer.

ORENDA is the spirit of God incarnated in the essence of all that is visible and invisible.

ORENDA is Divine energy giving force to every thing ... let it be!

ORENDA is awareness of this divine essence.

ORENDA is a way. Way to knowledge. According to this knowledge every existing thing has its own vibration or melody. It could be seen and expressed by different graphic figures – symbols. ORENDA symbols are codes for the essence of the melody in things.

ORENDA symbols are keys to specific vibration. You may unlock such vibration and blend with it.

The ORENDA symbol is an interstice, a door, a passage, a path or just a simple jewel to wear. But if you decide the symbol could be a bridge across which you can arrive to the field of knowledge, to the essence of every vibration and melody. Essence free of censure and editing by notions and understandings which you were taught to believe.

Do travel on the ORENDA way. A way of miracles and endless possibilities of which to choose.

Any of us has his/her own ORENDA symbol and can get it.
